

A new vision strategy for Sandwell

We need your views to shape how services will be offered to people living with sight loss in the future.

Please fill in this form, including your name and preferred contact details, to enter our prize draw for high street vouchers to the value of £10.

Name:

Contact details:

.....

1. If someone you cared about lost part or all of their sight, what do you think are the three most important things that would improve their quality of life?

1.

2.

3.

2. How can we make sure that visually impaired people and their carers from all communities in Sandwell have a say in how help and support is given in the future?

.....
.....
.....
.....

Please put your completed form into an envelope and return it to the following FREEPOST address:
